MY NOVEMBER

BOSTON, MA • LEAVE IT ALL BEHIND

BIO

My November is a Boston-based four-piece band delivering heartfelt, guitar-driven songs inspired by the likes of ‘90s Jimmy Eat World, Title Fight, Have Heart, and Lifetime. Formed by guitarist and vocalist Henry Waisbren, bassist Michael Watters, and drummer Garrett Briskin, the band channels the raw emotion and melodic intensity that defined the golden era of emo while injecting their own modern edge.
